Jane,

I'll keep this email brief as I have done this once before.

Simple put, according to Mary Allen, she has a lock via letter from Cliff Thael on being FBCC chairperson until the county takes over. Thus the FBCC Board cannot select a chairperson for the vacancy that was created when I left some months back.

Mary and I seldom have a meeting of the minds and I think it best for me to resign. I am sorry to have put you through the process of bringing me on board again and then have me not stick it out, but I really didn't realize what I was returning to.

Thanks for all that you do for the Fort Braden Community,

Bob Smith
